

List of reference characters

- 10 microwave-conducting arrangement
- 5 12 body
- 14 metal layer
- 16 left end
- 18 right end
- 20 cylindrical, lateral surface sections
- 10 30 microwave-conducting arrangement
- 32 inner surface
- 34 non-conductive body
- 36 grooved surface structure
- 38 non-ideal edge
